**landscape architect**

.

**Ana Tepina**

I am a landscape architect and I believe that great projects can be achieved by an interdisciplinary approach. I collaborate with different professionals (engineer, architect, agronomist, designer, gardener ...) depending on certain project's needs.

**Collaborations**

I've collaborated with various freelancers and studios:

Studio AKKA, prof. dr. land. arch. Ana Kučan, land. arch. Luka Javornik, [www.akka.si](http://www.akka.si)  
LUZ, Ljubljana Urban Institute, [www.luz.si](http://www.luz.si)
