

Photography competition on the 25th. anniversary of SALA: Designed landscape

Slovenian Association of Landscape Architects ([SALA](#)) launched a photography competition "Designed landscapes" on the 25th. anniversary of the association. Out of the 95 photographs received, 4 photographs by studio at.elier were selected. The photographs will exhibit for the first time in Lendava in September, and then in other places around Slovenia.

Photo of the garden in Sečovlje ranks 4th and has received mention!
